YEARS!

75th USWCA National Women's Bonspiel
February 14 – 18, 2024
Hosted by the Bonnie Spielers of the St. Paul Curling Club

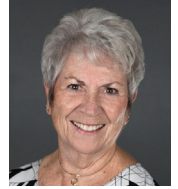

Cheers to 75 years!

Greetings to all the teams who are here to participate in the 75th annual USWCA National Bonspiel. St. Paul Curling Club is one of the largest and oldest curling clubs in the United States. I am sure that all of you are looking forward to an event that is a fun-filled, challenging experience. Some of you have participated in the National Bonspiel many times while others are here for the first time. I wish all of you a wonderful time. Please take advantage of the enduring spirit of camaraderie and sportsmanship that has graced this event for three-quarters of a century. May the ice beneath your feet be as smooth as the memories we've created, and may the sweeping of your brooms echo the laughter and cheers that have filled these rinks throughout the years.

Here's to another 75 years of friendship, competition, and the joy of the game.

Let the celebration on the ice begin!

Welcome to the St. Paul Curling Club!

The St. Paul Bonnie Spielers (Bonnies) are excited to host the 75th USWCA National Bonspiel. Over the past two years, the bonspiel committee led by Bea Gresback and Sally Augustin, with the support of countless others, have provided many hours of their time and talents to make this an exceptional experience for you on and off the ice.

The Bonnie's have a rich tradition of promoting women's curling. Since 1951, over 1500 women have called themselves a Bonnie Speler. This past week the founding members of the Bonnie's were recognized by the National Girls & Women in Sport Day - Minnesota, www.ngwsd-mn.com, by demonstrating the group's values in promoting girls and women to participate in sports. We are honored to have received this award and look forward to sharing this advocacy and celebrating with you at this National Bonspiel.

Good Curling!

Welcome to Minnesota, land of 10,000 lakes and much more!

Welcome to Minnesota, land of 10,000 lakes and much more! It's the perfect setting for curling and exploring. Your bonspiel pin is a tribute to the **USWCA's 75th National Women's Bonspiel** and encompasses the colors of Minnesota blue skies and water in the summer and beautiful sparkling ice and snow in the winter!

The Twin Cities (St. Paul and Minneapolis) has a multitude of activities available, which we hope you can experience. Visit one of our museums and learn about the rich natural and cultural history of the area or enjoy a stroll through our grand old neighborhoods where the logging and railroad barons built their homes. Wildlife more your style? Walk along the mighty Mississippi River (two blocks from the host hotel) where bald eagles are often seen. We have professional sports teams, a thriving music and arts scene, wild and scenic areas, and everything in-between!

St. Paul and the surrounding area has a long history of welcoming immigrants as can be seen in the variety of restaurants within walking distance of the curling club and or hotel. Your Kit Bag includes iconic Minnesota food brands: SPAM (yes, it's a real thing), Pearson's Nut Roll, Old Dutch Chips, and cereal from General Mills. Wild rice, which is still harvested in northern Minnesota using traditional methods, will be part of the hot dish on Friday night. Not familiar with the term hot dish? Welcome to Minnesota!

We hope that this weekend brings you excellent competition on the ice, time with old and new friends and a chance to experience a little of the flavor of St. Paul and Minnesota.

Good Curling!

Bea Gresback & Sally Augustin

St. Paul Bonnie Spielers

The St. Paul Bonnie Spielers (Bonnies) is a women's club within the St. Paul Curling Club (SPCC), established in 1951, giving lady curlers their own organization. Within that first year the Bonnies joined the USWCA. The Bonnies curl on Wednesday evenings with 18-20 teams and 75-90 members in a given season. Players compete in events throughout the year with many of the trophies donated in honor of notable past members. The Bonnies have hosted and fared well in many club, state, national, and international events. Annually, the St. Paul Bonnie Spielers host the Women's Cold Cash Bonspic, the first weekend in January. It is now dedicated to the spirit of our fellow curler and friend, Nancee Melby, who passed away in 2022. Nancee made significant contributions with her time and talents to support the St. Paul Curling Club, the St. Paul Bonnie Spielers and the USWCA.

Join us in 2025, January 3-5 ... tell your curling friends, and we hope to see you return to St. Paul!

St. Paul Curling Club

The St. Paul Curling Club (SPCC) was formed in the 1870's on the banks of the Mississippi River with the cozy clubhouse being built in 1912. Recently, the largest member club in the United States, the SPCC continues to have a significant presence among a handful of other clubs, serving the greater Minneapolis/Saint Paul, Minnesota metro area.

The Spirit of Curling

Curling is a game of skill and of tradition. A shot well executed is a delight to see and it is also a fine thing to observe the time-honoured traditions of curling being applied in the true spirit of the game. Curlers play to win, but never to humble their opponents. A true curler never attempts to distract opponents, nor to prevent them from playing their best, and would prefer to lose rather than to win unfairly. Curlers never knowingly break a rule of the game, nor disrespect any of its traditions. Should they become aware that this has been done inadvertently, they will be the first to divulge the breach. While the main object of the game of curling is to determine the relative skill of the players, the spirit of curling demands good sportsmanship, kindly feeling and honourable conduct. This spirit should influence both the interpretation and the application of the rules of the game and also the conduct of all participants on and off the ice. – *World Curling Federation, The Rules of Curling and Rules of Competition, July 2023*
