3. Each team must have at least 3 members from the same club, and may include a 4th team member from a different club in the same USWCA region, making them a composite team.
4. Composite teams will have equal standings in the random draw as that for teams with all 4 members curling from the same club.
5. Composite team entry forms must indicate the club where each member curls.
6. Entry forms from single curlers is recommended. These individuals will be used to complete the selected teams that need to replace a curler as the bonsel approaches. No rink fee payment is required with single entry forms.
