Legacy and Memorial Planning

Thank you for considering the United States Women's Curling Association for the management of your legacy or memorial fund. The mission of the USWCA is to develop, nurture and promote the sport of curling among today's women and all youth. If you have a loved one who has been positively impacted by the USWCA or wishes to help grow the sport of women and youth curling, please consider our organization as a qualified non-profit honoring your loved one.

Establishing a memorial or legacy gift is a meaningful way to leave a lasting tribute or celebrate a special occasion such as a birthday while supporting the work of our mission. Your memorial or legacy gift will be a lasting tribute to your loved one and make a difference to women and youth curlers.

The USWCA puts forth this guidance to assist families and donors with the establishment of legacy gifts. This includes donations, memorials funds, and endowment funds, including restricted, unrestricted, and partially restricted ("directed") gifts. This guidance will also help assure donors that the USWCA will honor their wishes and use their gifts wisely in support of our mission. Also included is approved language that can be used in obituaries or other forums to inform donors of your loved one's request to support the USWCA.

Additional information on donations can be found on our giving page at www.uswca.org/support-the-uswca.
