the bonspiel-make reservations by November 1, 2017.

Airport: Phoenix Sky Harbor International Airport, Phoenix AZ-Free Shuttle to Hotel

PLEASE NOTE THE FOLLOWING:

1. Entrants must have reached 55 years of age before January 1, 2018. Participants must be full dues paying members of the USWCA and their registered club for the year prior to the bonspiel. They must be curling in at least one league at their registered club.
2. Play downs are eliminated. Teams assigned a numerical number in the order they are initially drawn. Allocation figures determined by total membership of participating clubs submitting entries in the specific geographic area.
3. There must be at least three curling members from one club. Another member from the same geographic area may make up a composite team.
4. Multiple team entries from one club and composite entries have equal standing in that area draw.
5. For this Bonspiel, a composite team's name shall be at the discretion of the skip and her team, and shall so be listed. However, each member's club shall be noted.
6. A single member entry is appropriate and, indeed, URGED, and will be used to fill out teams as needed, both before and at the event.
7. Please retain your team structure as long as possible if you are not drawn. Stand-by teams are often needed, as are single entry members.
8. Entries may be sent in now and the total entry fee will be \$360. The **Total Fee** and complete team entry will be due on September 7, 2017. Since this event has been over-subscribed for several years, deadlines will be strictly enforced.
9. Send Senior Bonspiel entry form and check payable to Coyotes Curling Club to:
