

USWCA All- American Bonspiel Results for 2006-2007 curling season

The All- American Bonspiel has been sponsored by the USWCA since 1966. Special pins for the winning team are donated to each participating member club from the USWCA. This event was designed to encourage the involvement of women curlers so they may have a bonspiel experience within their own clubs and to foster a greater awareness of women's curling and the role of the USWCA.

Granite graciously extended an invitation to two new clubs to join their bonspiel. Five curlers from San Francisco Bay Area and one curler from Evergreen, Portland, accepted and had their first All- American bonspiel experience in Seattle.

Hibbing and Detroit had tie games which resulted in playoffs, creating an exciting finale to this event.

Ardasley, Chicago, Kettle Moraine, Mayfield and Poynette held two competitions for their morning and evening leagues.
