

United States Women's Curling Association

Host Club Information

The host club must be a member of the USWCA. The USWCA Junior Bonspiel does not have to be an additional bonspiel on the host club's junior calendar. The host club may elect to have the USWCA sponsor an existing junior bonspiel.

As the event sponsor, the USWCA will provide winner and runner up pins for 3 events as well as a traveling trophy for the first event winners.

Funds are also available to host clubs with arena ice to defray a portion of the cost of providing and maintaining ice for the bonspiel. The arena host club must submit an application for assistance to the Junior Bonspiel Committee documenting incremental costs such as, but not limited to, rental of arena ice and rental of warming house space. The maximum reimbursement per club is \$400. The Arena Host Club Assistance Request Form may be submitted prior to club commitment. See the link below for the form.

For more information regarding hosting or participating in a USWCA Junior Bonspiel contact the Junior Bonspiel Committee Chairperson.
