Join the celebration of the 74th year of the USWCA as we build on our rich heritage and embrace the challenges and opportunities for the future of curling.

The USWCA is comprised of capable, committed women dedicated to the expansion of the sport of curling. Our members are talented volunteers who collaborate to bring new ideas and direction which help grow this wonderful sport. Our objectives are to build friendships, have fun, and promote fantastic curling. Join us in making our organization even stronger.

Women from curling clubs throughout the USA meet to share resources, thoughts, and ideas:

- Women from the USWCA member clubs can participate in USWCA-sponsored events including the Women's National Bonspiel, Senior Women's National Bonspiel, Super Senior Bonspiel, and the Five Year and Under Challenge.
- The USWCA promotes international friendship and curling competition by sponsoring two international tours, one with Canada and one with Scotland.
- The USWCA supports junior curlers by sponsoring three regional Junior Bonspiels annually. Travel assistance has been instrumental in allowing for greater participation.
- The USWCA Promotional Sales Committee has distributed Junior Curling equipment to its member clubs resulting in thousands of dollars' worth of furnished brooms and stabilizers.
- The Gifts & Grants Committee provides financial assistance to develop, nurture, and promote women's and youth curling.
- The Women's Circuit promotes participation in women's bonspiels held in USWCA member clubs and offers monetary rewards to national & regional winners at the season's end.

We are the heart of curling!

The USWCA began in 1947 as a national organization to promote women's and junior curling programs. We have continued to evolve throughout our history as we welcome our newest membership of arena curlers and prepare for the excitement of future Olympic seasons.

Welcome to the USWCA!
