Event/Project Description

Event/Project Name:

Event/Project Date(s):

Please answer the following questions and provide as many specific details as possible.

1. Describe the event/project for which you are requesting grant funds to support.

2. Explain how this event/project benefits women's or junior curling, within and/or outside your club. Who will benefit from this event/project and how?

3. If the event has been held in the past, please provide the attendance figures for the past three years. If the event is a new event, please estimate how many people will attend this event, with an explanation of how you determined this figure.

4. What is the timeline for your event/project?

5. State the purpose of your request, including the reason you require the funding.

6. What budget item(s) do you anticipate the USWCA funds to cover?

7. What other fund-raising efforts have been made for this event/project?

8. Please include a detailed budget for your event/project. Attach additional information as necessary.

**Post-Event/Project Grant Report
(to be submitted within 30 days of event/project)**

Name of Person Submitting the Report:	
Club Name:	
Name and Address of Person to Receive the Check:	
Event/Project Date(s):	
No. of People in Attendance at Event/Project:	

Please answer the following questions and provide as many specific details as possible.

- 1. Explain how this event/project benefited women's or junior curling, within and/or outside your club. Who will benefited from this event/project and how?**

--

- 2. How did the funds from the USWCA assist you with this event/project? What would have been missing from the event/project without these funds?**

--

- 3. How do you plan to follow up from this event/project?**

--

Please scan and e-mail copies of the receipts for the approved budget items to be covered by USWCA funds.

If available, please scan and submit via e-mail a picture(s) of your event/project that may be used by the USWCA for marketing purposes (i.e., Curling News articles).

Thank you.
