

## All-American Winning Teams for 2014-2015

Thank you to all the chairpersons and committees who coordinated events this year and made each club's All-American extra special and unique.

During the 2014-2015 curling season, a total of 227 teams participated in 38 All-American events held in 33 clubs across the country. Five clubs held two events, an AM for their daytime leagues and a PM event for their evening league. They were: Ardsley in the East Area; Chicago and Mayfield in the Central Area; and Kettle Moraine and Madison in the Wisconsin Area. Congratulations to all participants on another successful All-American season.

The USWCA is proud to announce the winning teams (skip names first):
