

SEA-TAC Airport to Nexus Hotel Transportation –Winter 2020 USWCA Meeting

For all transportation options, go across the Sky Bridge, go down one floor and follow signs.

Ride Share Options – Download the app before travelling.

Uber app

Uber cost estimator link: <https://www.uber.com/us/en/price-estimate/>

For special mobility accommodations, use Uber's WAV option within the app.

Lyft app

Place your request via the Uber or Lyft App as you cross the Sky Bridge and head down one floor

Cost approximately \$30 - \$40 per ride

Green (electric or hybrid) vehicles only allowed at the airport

You can share ride with others arriving at similar times

Most likely the most that will fit in a Ride Share car is 3 people with luggage

Shuttle Express: 425-981-7000 phone

Cost and time varies depending on number of people riding

May have other people in a shared van

Van holds up to 10 people and their luggage

Less expensive than a taxi

Can request door to door service but it is more expensive

Go to stand and give them your name and they will tell you the cost and approximate wait time

Yellow Cab/Taxis:

Follow signs to taxi stand and wait for first available cab

Most expensive option

Please contact me if you have any questions.
