

June 10, 2020

Dear USWCA Officers, Past Presidents, Chairs and Representatives,

Greetings! I hope that this finds you well and safe this spring.

The USWCA Nominating Committee is seeking candidates for the positions of **Second Vice President** (from the West Region) for 2021-2022 and **Comptroller** (from any region) for 2021-2023.

With a set rotation for the office of 2nd VP, the USWCA ensures that each region is represented in our organization. We anticipate that the 2nd VP will advance to 1st VP, then to President, each with a one-year term. We look forward to hearing from you, as there are many qualified women in the West who would do a great job.

The position of Comptroller is open to USWCA members from any region. The Comptroller keeps and reports on the accounts of the USWCA and works closely with the Treasurer to carry out the financial responsibilities of the organization.

You have a role to play in this process. I ask that you consider the women in your club, state, region, or from across the country. If you identify a potential nominee, please reach out and encourage them to consider these opportunities.

I am available to answer any questions and provide support, as is our current Comptroller, Lisa Johnson. You can find more information on our website www.uswca.org: candidate forms, 2nd VP Nomination form, and information about the nomination process for each position. (Please contact me for an editable Word version of the nomination and candidate forms.)

Our deadline for Nomination submissions is August 15, but please give me a heads-up in advance of that date if you plan to submit a Nomination.

Thank you so much for considering which of your colleagues might be qualified to serve in these ways and support the USWCA's mission to promote women's and youth curling.

Karen Brattesani, Chair
Nominating Committee
USWCA Past President 2019-2020
