The following changes are being proposed as amendments to the USWCA Bylaws. Please review these changes and be prepared to vote on them at the Board of Directors Meeting in September or submit your proxy indicating your voting intentions. [The current Bylaws, Standing Rules and Policies can be found on the USWCA website — go to Members/News.]

ARTICLE V - OFFICERS - Section 2. President (Page 5)

Subsection (d) — removing appoint Ad Hoc Committees
She may make additions to the membership of existing Standing Committees as she deems necessary, with the exception of the USWCA/USCA Liaison and the Nominating Committee.

Rationale: Ad Hoc Committees are now established through the Governance Committee rather than by the President. [Please note that the make-up of the Nominating Committee has been established by the Bylaws and the President cannot make additions to this committee.]

Subsection (h) — adding Bylaws Committee and Rules Committee
She shall be responsible for overseeing the Communications Committee, the Bylaws Committee, the Rules Committee and the Reference Committee and shall serve on the Governance Committee.

Rationale: These Chairs currently report to the President but the three committees were not listed under the President’s duties — added via this amendment.

(c) The Board of Directors may fill any vacancy caused by the unexpired term of office of the President, First Vice-President, Second Vice-President, Treasurer, Comptroller or USWCA/USCA Liaison. In the event such an appointment must be made before a duly convened meeting of the Board of Directors can be held, the Executive Council is empowered to act under Article VI/Executive Council, Section 2. Powers and Duties/Subsection (a).

(See Standing Rule 5 - Election Procedures for USWCA Officers and Standing Rule 6 - Election Procedure for USWCA/USCA Liaison)

(b) The committee shall nominate officers for the ensuing year and report the slate to the Board of Directors at the Fall Meeting.

The nominees for President, First Vice-President and Second Vice-President shall be elected for a term of one (1) year and shall be from different regions using the above rotation. The Secretary shall be selected by the incoming President and elected for a term of one (1) year and shall be from the same region as the President. (f) - former (e) The Nominating Committee shall solicit and receive the nominations for the position of the USWCA/USCA Liaison. (See Article VI, Section 2(b) and Election Procedure in Standing Rules.)
Rationale: Clarifying the duties of the committee, who appoints the members of the committee, and the timing of when the slate is presented to the Board of Directors for a vote.

The following changes in the makeup of some Standing Committees reflect the elimination of the five Areas as geographical designations (East, Central, Wisconsin, West I and West 11) and the adoption of the four Regions only (East, Central, Wisconsin, West) going forward. This change was adopted via a vote at the Board of Directors’ Winter Meeting. The Chairs of the effected Committees were consulted on the changes and some additional changes beyond Area/Region are noted in red.

The Governance Committee is recommending the elimination of the Annual USWCA Meeting (Section 1), which took place at the National Bonspiel Banquet. There will be no election of Officers at the banquet nor reading of annual reports. The Committee feels that the election of Officers is too important to leave up to a vote of primarily bonspiel participants and there is rarely a quorum of USWCA voting members in attendance. Instead, at the banquet, the Officers will give informational reports on the Association. Corrections reflecting only Fall and Winter Meetings of the Board of Directors and NO Annual Meeting are noted in “bold” throughout the Bylaws.

The following proposed changes to the Standing Rules give additional clarification on what happens if the Treasurer, Comptroller, USWCA/USCA Liaison, Parliamentarian or Secretary resign in mid-term. The changes also make the Parliamentarian an elected position with a two-year term with NO voting privileges

STANDING RULES (Page 24 & 25)

(a) The Bylaws list the official procedure in the temporary absence of the President, First Vice-President, Second Vice-President and Comptroller. (e) If the Treasurer or Comptroller resigns or is permanently unable to perform her duties, the Nominating Committee shall reconvene and nominate a previously-eligible candidate to serve out the term.

Current Subsection (e) becomes (f) and Subsection (f) becomes (g)

(f) If no previously-eligible candidate exists, the Nominating Committee must solicit new candidates from the general membership, using the rotation schedule when relevant, and recommend one for a vote.
Page 8 - September Amendments

(g) The nominations/recommendations detailed in (b) (c) (d) (e) and (f) above originate with the Nominating Committee and are communicated in a timely manner to the Executive Council for a vote (via phone or email) with ratification of a vote by the Board of Directors occurring at their next regularly-scheduled meeting. (See Article VII BOD/Section 2 (c) Powers and Duties).

6. Election Procedure for USWCA/USCA Liaison

The Nominating Committee shall solicit nominees from the general membership for this position. If there is more than one nominee, the Executive Council will screen and select no more than three (3) nominees to be voted on by the Board of Directors at their Winter Meeting. A simple majority vote will serve to elect. All voting shall be by written ballet unless there is only one candidate. USWCA/USCA Liaison’s term(s) of office will be tracked and reported annually at the Winter Meetings.

If the Liaison resigns or is permanently unable to perform her duties, the Nominating Committee shall reconvene and nominate a previously-eligible candidate. If no previously-eligible candidate exists, the Nominating Committee must solicit new candidates from the general membership and recommend one for a vote (See Article VII BOD/Section 2 (c) Powers and Duties).

7. Election Procedures for Parliamentarian

The First Vice-President, in consultation with the Second Vice-President, shall select a Parliamentarian to be placed on the ballot as a non-officer, non-voting position at the Board of Directors Winter Meeting immediately preceding the Parliamentarian’s two-year term. If the Parliamentarian is a Club Representative or other voting member of the USWCA, she must resign the voting position(s) due to the non-voting nature of the office.

If the Parliamentarian resigns or is permanently unable to perform her duties at any time during her term, the Officers shall convene (via phone or email) and select a replacement to serve out the term.
8. Replacement Procedure for Secretary

If the Secretary resigns or is permanently unable to perform her duties at any time during her term, the President, in consultation with the other Officers, shall select a replacement to serve out the term. (See Article VIII/Section 6(d) Nominating Committee for selection of Secretary)

The following proposed changes are to current USWCA Policies and the creation of new Policies.

USWCA POLICIES (Page 27 & 28)

#8 - The election of USWCA officers and members of the Standing Committees are determined by regional representative [four (4) regions: East, Central, Wisconsin and West (See Article VIII/Section 6(d)].

Rationale: Removing the paragraph about exceptions that created the membership of some Standing Committees based on five (5) geographical Areas. Now the assignment of members to all committees shall use only the four (4) Regions.

#11 - There shall be a Parliamentarian, who must be well versed in Robert’s Rules of Order and familiar with the USWCA Bylaws, Standing Rules and Policies. She must attend all Executive Council and Board of Directors’ meetings of the USWCA as an impartial overseer; and due to the nature of her position, the Parliamentarian holds no voting privileges at USWCA meetings.

Rationale: Removed the reference to an Annual meeting.

#13 - New
When a member club’s annual and per capita dues are submitted to the Comptroller and discrepancies are noticed from previous years’ payments, the club shall be referred to the Membership Committee for follow-up to discern if the club is having problems or needs help from the USWCA. Examples of submissions that may trigger a follow-up: (1) significant drop in per capita dues, (2) prolonged late
payment, and (3) roster discrepancies. Member Clubs may not limit payment of per-capita dues solely to women members intending to participate in USWCA events or tours. Such payments shall be referred to the Membership Committee.

**Rationale:** This policy is being proposed to assist the Comptroller and the Membership Committee with a policy/procedure to follow when there are questions with a Club’s annual and/or per-capita dues payment. The intention of this policy is to: (1) identify member clubs who may be having problems and need assistance from the USWCA; and (2) create an equitable playing field for members wishing to participate in USWCA events and tours.

### #14 - New

The Membership Committee shall review the regional distribution of clubs/membership annually at the Fall Meeting. If any two regions (East, Central, Wisconsin, West) differ by 20% or more, the discrepancy shall be referred to the Governance Committee (working with the Membership Committee) for possible reassignment of clubs to other regions.

**Rationale:** The Board of Directors voted at the Winter Meeting to reassign some clubs to different regions in order to make the number of clubs/members in the four (4) regions (East, Central, Wisconsin, West) similar across the country — again, to create an equitable playing field for members wishing to participate in USWCA events and tours. The vote included a mechanism to review the distribution on an annual basis — this policy creates a permanent place so this mechanism can be referenced by all.
